Semester Funding Request & Income Report

Mass Funding - Fall 2009

Semester Funding: (These are expenses that aren't tied to a specific date or event, but relate to the functioning of the organization. Common examples include dues to a national organization, apparel subsidy, or capital. See the USG Funding Policies for more information. Please itemize your expenses below. Do *not* include the $50.00 automatic.)

Description	Amount	Allocated *(Committee Use Only)*
Semester Funding Request Total	$0.00	

External Funding or Income: (All organizations must report all external sources of funding for their operations. Please report any income during the past academic year. Include fundraisers, University offices, donations, etc. Failure to report may result in suspension of funding or recognition privileges. External funding does not negatively impact funding decisions.)
